Call to Order: Approval of Agenda - at 6:00 by Tasha Cochrane

Chair's Report:

Welcome and refreshments

Voting for Vice Chair – Amanda Nicholson

Voting for Secretary - Terri MacDonald

Principal's Report:

1. *PSSC welcome and power point presentation to go over all things PSSC*
 - o Next meeting we are looking to have a teacher rep join the committee.

- Elections of PSSC chairs ect. – DEC members are invited but aren't members – they cannot vote.
 - Roles of PSSC – reviewed by Jaime.
 - Quorum – 50% +1
 - Annual cycle – September to June of each year. Early fall, late fall, early winter, mid-winter, late spring.
2. PSSC documentation sign off – Members were asked to sign the last page and hand in at the end of the meeting.
- SIP review – goals for this year:

Goal 1: By June 2027, 60% of students in Grades 6–8 will demonstrate proficiency in adding and subtracting fractions, with and without models, as measured through school-based phase assessments and a combination of classroom evidence (observations, conversations, and student work) along with formative and summative assessments.

Goal 2: By June 2026, 70% of the students in grades 6, 7 and 8 will be successful in Fluency as measured by Oral Reading Fluency (ORF) assessments, the triangulation of classroom data (conversation, observation and student product), formative and summative assessment data.

- 3. IGNITE will continue this year with 3 rounds – Fall, Winter, Spring. Fall session is Oct. 29, Nov. 5, Nov 12.
- 4. Chartwells new lunch program – Ordering online is easy. Some parents report that their child doesn't care for the options, however, they report their child is a picky eater. We welcome feedback moving forwards to help support the program.
- 5. Cell phone Policy-update - K-8 policy is the same that we have been doing in years past with phone being kept in their lockers. This is going well at NMS.
